Rejoice

We rejoice with **Tyler Sanford** and **Anna Hayes** for their repentance, and requesting prayers of the church Sunday.

Christians Are For Real

If a man would be a soldier, He would expect to fight,  
And he couldn't be an author if he didn't have to write.

So it isn't common logic, doesn't have the right true ring,  
That a man to be a Christian doesn't have to do a thing.

If a man would be a hunter, he must go among the trees;  
And he couldn't be a sailor if he didn't sail the seas.

How strange for any person to think perhaps that he,  
Can fail to work and worship, and a faithful Christian be.

Never Alone

To feel close to God is a great comfort. It is depressing to feel alone and forsaken, to think that we have been left to our own resources and must rely on our own strength. I would not want to live a single day without being able to feel that God is near me and the whole world. Always remember that He is as near as the next prayer or scripture read from His word.
