

I Love Vacation Bible School

It is that time of year! What time you ask? Vacation Bible School time! Don't you just love it? It is a time of excitement, joy, learning and encouragement for all. This year we have some outstanding Gospel preachers coming to speak each evening to our adult class. There will a period of singing, studying, and socializing. You will not want to miss one moment.

There are many reasons why I love VBS. First, I love VBS because I get the chance to invite others. It is an opportunity for us to introduce many to Christ. This was Christ's mission. "For the Son of man is come to seek and to save that which was lost" (Luke 19:10). It is well. "And them, Go ye world, and pel to every that believeth shall be that believeth d a m n e d" (16:15,16). you think you bring? Let's talk it up and see how many children we can have this year!

our mission as he said unto into all the preach the gos-creature. He and is baptized saved; but he not shall be (M a r k How many do will be able to

Next, I love VBS because I get to have fun with all of my friends. Fun comes in many ways. It is fun to sing the songs that teach us about the Bible, Jesus, and the way of Salvation. It is fun to see if I can bring one more person than my best friend. It is fun to learn more about the Bible. Do you know how many chapters, verse, and words there are in the Bible? Have you ever heard of a "Parable"? Do you know what it is? Can you name all of the books of the Bible? Let's see, are there 27 in the old or is that 27 in the new? How many apostles did Christ call? It is just fun to learn everything we can about the word of God. Hey, if you don't know the answers to these questions, come and our great teachers will help you find them.

Finally, I love VBS because it helps me be the very best I can be. I want to learn all I can learn. I want to sing my very best. I want to be able to recite the books of the Bible. I want to be challenged to do the best I can in all that I can! Don't you? Well, come to Vacation Bible School. It will help us be the very best we can be.

I know I'll see you there. Look for me because I'll be wearing the BIG SMILE.
