**October 2007**

1. **ETSPM** - "Greetings in the name of our Lord Jesus. I take great pleasure in writing this letter to you. My first 3 weeks at the ETSPM has been a new experience; also my Biblical knowledge has increased a great deal already. Nearly every week we have a Greek and a Genesis test. It is a lot of work, but with the Lord and your prayers I will be able to do it. Each class that I take I learn something new. September 10-14<sup>th</sup> was our campaign week. In closing I would like to gratefully thank you for Your support, without your kindness and generosity this would have never come Through. Please continue to pray for me. May God Bless you. **Dhanpersaud Ramkelawan**"

2. **Preaching The Gospel** - "Greetings from the carpet capital of the world known as Dalton, GA. I hope this letter finds all of you in excellent health. I am working with the television program, Preaching the Gospel with **James Watkins**. Speaking on behalf of the elders at Highland congregation and the staff of Preaching the Gospel, let me say how much we appreciate the interest and support you give our program. Without you and other like-minded brethren we could not send the Gospel that saves men's souls to thousands of potential Christians each week. We are now an international program. With the addition of the Far East Television market and with the already existing station in Guyana, South America, we are sending the Good News of Jesus Christ to those of foreign soil. Again, thanks for your support and remember, I am available to visit you in person to give a report To the elders and/or the congregations. Sincerely, **Leroy Dedmon**"

3. **Andrew Crowe**- "I am very excited about the start of the Fall quarter at MSOP. It's a blessing to be here. It is also a great blessing to be supported by such a loving congregation. I am very thankful for all of the prayers and support that you have given me. It's an encouragement to know that you care. We have started classes and it is a joy to learn more about God's Word. I have lead a Bible study and Preach at the Cherry Valley Church of Christ and also at the Independence Church of Christ for brother **Dan Cates**. I was blessed with being able to preach at Luverne Church of Christ two Sundays. I was blessed to preach with one of my fellow students in Arkansas. I can't thank you enough for all the love and support that you all have given me. In Christian Love, **Andrew Crowe**"

4. **Tri Cities** - "Thank you to all of our supporters. We have paused at this point to drop you a note to let you know how our schooling is going. We have been having a wonderful quarter thus far. All of our supporters remain constantly in our thoughts. We realize that without your gracious gifts, we could not be doing what we are doing today. Edy and I are now attending the Valley Church of Christ in Kingsport, TN. The elders there have asked me to come and teach a young adults class full time. We believe his will be a wonderful experience for us in helping a smaller congregation work and grow. We hope sincerely that this letter finds you doing as well as we are. We thank you so much for your support. In Christian Love, **Aaron J. Cozort**"

5. **Ken Butterworth** - "Just a quick note to say hi and touch base. We do keep you in our daily Prayers and thank our heavenly Father for elders like you. You all encourage us so much. Thank you for your support. This allows me to do the work I am involved with. I continue to stay busy and put in many hours with my writing. I am staying busy writing the class material for Munford. I have also been writing some material for summer camp etc. There are constant requests for the material and books. Thank you for making this possible. There are denominational folks studying the material and books as I speak. I thank my heavenly Father and you for allowing me to do this work since I can no longer preach full-time. God Bless you and I appreciate, love and respect you so very much. Serving The Master, **Ken**"
