

**Reports From Select Missions
Supported By Adamsville Church of Christ**

1. **Lad to Leaders** – “September is here! Congregations are gearing up for their annual Lads to Leaders Kick Off! Margaret and Veronica are ready to take your material orders and answer any questions that you might have. Thank you for your gift of \$250. Each gift enables Lads to Leaders and Leaderettes to provide young people with the tools and knowledge they need to live productive Christian lives. If you have any questions or concerns feel free to contact us. In His Service, **Roy Johnson** Executive Director”

2. **MSOP** – “Greetings! It is hard to believe the speed with which our first year of school here at MSOP has flown. We are grateful for your love, support, and especially for your prayers as we could not have had the opportunity without your aid. The fourth quarter is quickly coming to a close. The quarter will be completed June 19. We will have one week off and will be heading to Schertz on Monday. We will return for summer classes that will start June 29, the Intertestament Period being taught by Dan Cates. We continue to work with the Luxora, AR congregation on a weekly basis. Without your support we would not be able to be here preparing ourselves for future work in the Lord’s kingdom! You are ever in our prayers that God may bless you and the works you are involved in for the furthering of His Kingdom. In Christian love and bondage, **Devin W. Dean**”

3. **Focus Press** – “I send you greetings from Nashville. I hope that all is well with you and the congregation there. I’m sure you are well aware of the current statistics – that we are losing approximately 75% of our young people in the church. In fact, the “twenty-something” group is virtually absent in many congregations. At Focus Press we know foreign mission works are vitally important – and we support those both as a team of Christians and personally. We donate many of our resources to missionaries and we even individually provide support to several missionaries. Focus Press is committed to teaching these Truths! In the next few weeks we are releasing a new book for adults as well as Bible class material for teens. In addition, I am going into a studio and record all new material with the specific intent of teaching as much as I possibly can for young and old alike. Serving Him with You, **Brad Harrub**, Ph.D”

4. **Charles Harris** – “My family and I would like to thank you for your support while I attend the Memphis School of Preaching. School began on June 29th. The school went on a door-knocking campaign in Chattanooga, TN to promote GBN’S Gospel Meeting at the Tivoli Theatre. We knocked on over 3,500 doors and 90 Bible studies were established. This was such a great opportunity to let many know about the Gospel of Christ. Once again, I thank you for your investment in my education which will be an investment in the Lord’s church for years to come. If there is any way I can assist you, please do not hesitate to contact me. Thank you.”

5. **Tyler Gilreath** – “I always find it a joy to be able to write the Saints at Adamsville! I hope everything is going well for you good brethren. My wife and I are doing very well. We just returned from a wonderful week long trip to Chattanooga, TN. All of the students were blessed to have the privilege and opportunity to conduct a door knocking campaign in the Chattanooga area. The students were able to knock on some 3,500 doors, and were able to schedule ninety Bible studies. Time will reveal what impact the meeting had on these ninety individuals, all that were in attendance. Thank you once again for all that you do for my family! You mean more to us than you know. I look forward to writing you soon. In His Service and yours.”

6. **Rick Owens** – “We are now two weeks into the 3rd quarter. It seems as if we just started the school year. This quarter we will be studying; the book of John, Personal Evangelism, I Corinthians, English grammar, I Thessalonians through Titus, and Hebrew History II the books of I Samuel through Esther. At Cordova we are preparing for our upcoming gospel meeting the 10th through the 11th of February. As I mentioned in the last letter I will be travelling to India in July with Brother Jim Waldron from Crossville, TN to help teach in the schools there and to preach in the area. My family and I are already grateful for your continued support and encouragement that you have extended since we have been here. I hope you are all well and I look forward to seeing you when the opportunity presents itself. It is my prayer that God blesses your every effort to expand His Kingdom. With Love and Appreciation.”
